

REPRODUCTIVE HEALTH OF GLOBAL SUPPLY CHAIN WORKERS

Bibliography -- By Topic

May 2008

<http://rhgw.psc.isr.umich.edu>

This PDF file organizes the bibliography of needs assessments, research studies, policy analyses and program evaluations relevant to addressing the reproductive health needs of these workers by *Topic*. We conducted a systematic review of Medline and Popline, reviewed citation lists and conducted directed web searches of NGO websites. The literature is current through 2004 and we are in the processes of updating the literature.
